Have a wonderful Thanksgiving break!

EVENTS

Craft Fair: Saturday, December 1, 10:00am-2:00pm.

Please help spread the word and share our community flyer attached [HERE](#).

AFTER SCHOOL

Math Club: Mondays, November 26 - January 14, 3:30pm-4:15pm.

Our focus will turn to the MathCounts Math Video Challenge. Student-created videos feature a MathCounts problem from the official 2018-2019 playbook connected to a real-life application and are made by teams of four 6th, 7th, and/or 8th graders. Note, 5th graders may help with a video or be in a video, but unfortunately are not eligible to officially be one of the four on the team of creators. We encourage 5th graders to be involved and gain experience for next year. Click [HERE](#) to view past winners. The makers of the four finalist videos will win an all-expenses-paid trip to Orlando, FL! See you at Math Club!
