Middle School for Girls

### 2025-2026 After-School Program

Our after-school director will supervise the after school program at Village School. The program is designed to provide parents with a safe and supportive environment in which to leave their children until work or other commitments have ended.

After School operates from 3:45 pm – 5:30 pm every full school day Monday-Friday. Students have the first fifteen minutes to relax and have a snack before beginning their homework or starting a movie on Fridays.

After completing their homework, or after the movie ends on Friday, students can knit, read, or choose from a variety of other quiet activities until they are picked up.

The fee is \$2.75 per quarter hour. You will be billed monthly through FACTS *\$1.00 will be charged for every minute a student is picked up late (after 5:30 pm).*

If you have any questions regarding the program or how billing works, please contact Mariah at [office@villageschool.us](mailto:office@villageschool.us) or 434-984-4404
